### PROFILE SUMMARY

Dedicated frontend web developer with a strong appetite for continuous improvement and a genuine passion for creating user-friendly websites. Eagerly seeking opportunities to expand my skill set and contribute to a dynamic team that values innovation and excellence in web development. Proficient in HTML, CSS, JavaScript, and various frontend frameworks, I am committed to delivering exceptional digital experiences and ready to make a meaningful impact in a growth-oriented environment.

### WORK EXPERIENCE

**FRONTEND WEB DEVELOPER INTERN** March 2023 - March 2023  
**NCL LAB, NED UNIVERSITY**

- Developed and maintained the frontend of the Agha Khan Hospital's Ophthalmology Department's website.
- Utilized HTML, CSS, and JavaScript to create a responsive and user-friendly web interface.
- Collaborated with the web development team to implement design concepts and ensure seamless functionality.
- Contributed to the timely completion of web projects while adhering to project specifications and deadlines.

### PROJECTS AND ACTIVITIES

**WEB DEVELOPMENT COMPETITION**  
**NED UNIVERSITY**

- Participated in a university-wide web development competition organized by AIC society, gaining hands-on experience in HTML, CSS, and JavaScript.
- Collaborated with a team to conceptualize, design, and develop a web-based project under competitive conditions.
- Demonstrated problem-solving abilities and creativity in meeting competition objectives.
